

Uni-Pak® 40" X 48" Mirror Image

Outside Dimensions

O.D. = 40" X 48" X Height (available range = 20.5" – 84.5")

Outside dimension is measured from the floor to the top of the locating boss on the Top

Inside Usable Dimensions

Use the following formulas to build your own Uni-Pak and calculate I.U.D

Width and Length

$$40" - 2.75" = 37.25"$$

and

$$48" - 2.75" = 45.25"$$

Container Height

Using a 41.25" O.D. as an example

$$41.25" - 10.50" = 30.75"$$

$$\text{I.U.D} = 37.25" \times 45.25" \times 30.75"$$

$$\text{Cubic Capacity} = 29.99 \text{ ft}^3$$
